Materials Engineering
JAMSHEDPUR CHAPTER

ABOUT THE CONFERENCE

CIRCON 2026 is a premier industry-focused conference dedicated to advancing circularity, resource efficiency and sustainable industrial growth through innovative valorisation of industrial wastes, by-products and secondary resources.

The conference aims to bring together stakeholders from industries, startups, technology providers, academia, research organizations, policymakers and entrepreneurs working across the mining, metals, materials, energy, recycling and circular economy sectors.

CIRCON 2026 will serve as a unique platform for:

- showcasing emerging technologies,
- sharing industrial best practices,
- presenting techno-commercial case studies,
- discussing scalable valorisation pathways,
- enabling collaborations between industry and innovators,
- promoting sustainable resource utilization across the industrial ecosystem.

MAJOR THEMES

- 1 **Ferrous & Non-Ferrous Waste / By-products & Fly Ash Valorisation**
- 2 **Ironmaking, Steelmaking & Ferroalloy Slag Utilisation**
- 3 **Dusts, Sludges, Mill Scale, Coal Tar Recycling, etc.**
- 4 **Hazardous Waste Recycling**
- 5 **Scrap Recycling & Urban Mining**
- 6 **Mineral Carbonation & Carbon-Negative Products**
- 7 **Circular Construction Materials & Advanced Waste-Derived Products**

WHO SHOULD ATTEND

The conference will be beneficial for:

- Steel, mining and ferroalloy industries
- Cement and construction industries
- Recycling and waste management companies
- Technology providers and startups
- Environmental solution providers
- EPC and infrastructure companies
- Researchers and academia
- Policymakers and regulators
- Consultants and sustainability professionals

CALL FOR PAPERS

Technical papers are invited from industry professionals, researchers, startups, technology providers and academia aligned with the conference themes.

Authors are requested to submit an abstract of approximately 300 words.

Selected abstracts will be invited for oral presentations during the conference.

Practical industrial case studies, technology-oriented papers, pilot-scale demonstrations and techno-economic analyses are strongly encouraged.

IMPORTANT DATES

Activity

Abstract Submission Deadline

Abstract Acceptance Notification

Final Presentation Submission

Conference Dates

Date

31st August, 2026

10th September, 2026

20th September, 2026

24th–25th September, 2026

REGISTRATION FEES

(18% GST Applicable Extra)

Category

Industry Delegates

Academia / Students

Registration Fee

INR 16,000

INR 6,000

SPONSORSHIP & ADVERTISEMENT OPPORTUNITIES

Category	Amount	Complimentary Delegates
Platinum Sponsor	INR 5 Lakhs	5
Gold Sponsor	INR 4 Lakhs	4
Silver Sponsor	INR 3 Lakhs	3
Bronze sponsorship	INR 2 Lakhs	2
Exhibition Stall (10 ft × 10 ft)	INR 1.5 Lakhs	2

DETAILS OF BANK ACCOUNT

Bank Name	Bank of India
Account Name	Jsr Chapter of Indian Inst of Metal
Account No	450020100010066
MICR code	831013002
IFSC code	BKID0004500
GSTIN	20AAATT3359D1ZW
SWIFT Code	BKIDINBBJAM
Permanent Account Number of Indian Institute Of Metals	AAATT3359D

ADVISORY COMMITTEE

Patron

Mr. Subodh Pandey
VP Technology, R&D, NMB
and Graphene, TSL

Mr. Rajiv Mangal
VP Safety, Health
& Sustainability, TSL

Dr. Sandip Ghosh Chowdhury
Director, CSIR-NML

Chairman

Mr. Dipankar Dasgupta
Executive-In-Charge (IBMD)
TSL

ORGANISING COMMITTEE

Sri Bhargav Dhavala (Convenor, TSL)

Moumita Nag (Co-Convenor, TSL)

Ajay Kumar Gupta (Treasurer, TSL)

Kunal Mathanker (TSL)

Dr. Y. Ramamurthy (TSL)

Dr Biswajit Bera (TSL)

Nabonita Das (TSL)

Keshav Kumar Rai (TSL)

Susavan Ghosal (TSL)

Shikha Suman (TSL)

Asmita Sarkar (TSL)

Rakesh Sharma (TSL)

Utkarsh Srivastava (TSL)

Priyanka Upadhyay (TSL)

Shyamendra Kumar (TSL)

Sunil Kumar Raut (TSL)

Ramesh Pandey (TSL)

Nikhil Khare (TSL)

Dr. Abhilash (CSIR-NML)

Dr. Manis Kumar Jha (CSIR-NML)

Dr. Devabrata Mishra (CSIR-NML)

Dr. S. Nath (CSIR-NML)

Dr. Sanjay Kumar (CSIR-NML)

Dr. Gopi Kishore Mondal (CSIR-NML)
