## About the Seminar

Since its inception in 2011, the seminar "Behind the Teacher's Desk (BTTD)" has blossomed into one of the most sought-after events among the student fraternity of India. BTTD has been held annually mainly at the CSIR-NML Jamshedpur and attracts more than 200 students from across the country. The event provides a launch pad for the students to showcase themselves and interact with scientists, eminent metallurgists, engineers and entrepreneurs to develop new skills in metallurgy and materials technology.

## Who can Participate?

UG and PG students, scientists, faculty members, and industry professionals working in the domain of metallurgical and materials engineering.

## Major Themes of the Seminar

- ▶ Innovations in mineral processing and metal extraction
- ▶ Innovations in Iron & steel-making
- ▶ Advances in alloy design & phase transformations
- ▶ Mechanical behaviour of materials
- ▶ Materials modelling & simulation
- ▶ Corrosion & surface engineering
- ▶ Sustainable metallurgy & Energy materials

## Abstract Submission

Interested students should submit an abstract (300 words max) in MS word format and send it by email to **[bttd.iimjsr@gmail.com](mailto:bttd.iimjsr@gmail.com)**. The abstract template is available at the BTTD-2026 website: **<https://iimjsr.com/btttd-2026/>**
